Almond Huntington returned Thursday from a visit with friends at Mineral Springs.

Branson Shanks and family, of Jamestown, were guests of his parents here several days last week.

Edwin McNary spent part of last week at Columbus and Dayton.

Wm. Auckerman has traded his residence to A. J. Morris, of Greenfield, and will give possession some time next month. He and his daughters will move to Greenfield for the winter.

Owing to the inclement weather on Saturday the crowd at the picnic in Beaver's Grove was very small.

Herbert Barrett and wife expect to move to Greenfield this week, where they recently purchased property.

Fred Redkey and family leave today for Columbus, where they will spend a few days with relatives and attend the state fair.

The public school building is being oiled and painted on the interior and thoroughly cleaned ready for the opening of school next Monday, September 4.

Mrs. Martha Roads, of Oklahoma, who is visiting relatives here, had the misfortune to fall and break her arm one evening last week.

Dogs got into a flock of sheep belonging to Beaver Bros. on Rocky Fork last Tuesday night and killed forty out of a flock of sixty.

Rev. A. E. Huntington leaves tomorrow for Dayton to attend the annual session of the Cincinnati Conference.

Homer Keefe and family, Dick Harrington and son, and Mrs. Ann Harrington, of Greenfield, were guests of T. H. Harrington and wife on Sunday.

There will be a meeting at the M. E. Church at 2 p. m. next Sunday to organize the Sunday school of the township. Able speakers will be present.

Edwin Upp and Julius Roads have been visiting at Columbus the past week.

The contest in the M. E. Sunday School closed last week and resulted in a victory for the Blues. The entire attendance for the nineteen Sundays was, Reds, 1,391; Blues, 1,486; for a total of 2,877. The Reds took their defeat with the best of feeling and entertained the victors at K. of P. Hall on last Wednesday night. Owing to the heavy rain many were detained at home, but a goodly number braved the storm to help celebrate the occasion. Everybody was in gala mood and thoroughly enjoyed the evening. The hall was beautiful in its decorations of red and red-aproned waiters served the Blues with cake and red ice cream. The climax was reached, however, when some one noticed that the young man who dipped the ice cream was red headed. The Superintendent, A. G. Cameron, has reason to be proud of the interesting Sunday School that has been more than doubled by the contest just closed.

The Aid Society gave a reception at the home of their president, Mrs. Robt. Lucas, on Rocky Fork, last Thursday afternoon in honor of Mrs. A. E. Huntington. About fifty persons enjoyed the afternoon. After a short program and dainty refreshments, Mrs. W. T. Hodge, in behalf of the society, presented Mrs. Huntington with a set of teaspoons as a slight token of their appreciation of her services during the past three years.

Agricultural Extension Train

(Continued From First Page.)

until after October 10. He told of the wheat that was producing the best results at the experiment farm at Wooster and said if any of the people here had trouble getting good seed if they would write to the station a small supply would be furnished them free. To keep smut out of the wheat he advised the use of a solution of formaldehyde on the seed wheat.

Prof. C. R. Titlow, assistant to Prof. A. B. Graham, head of the Agricultural Extension School, made the closing address.

Mr. Titlow told of the exhibits the Agricultural School would have at the Hillsboro Fair and advised every farmer in Highland County to see these exhibits. The exhibits will cover dairying, fruits, home making, soil fertility and practically be a small reproduction of the work done at the Agricultural College. He said that the people of Highland county were extremely fortunate this year as they would have both the exhibits at the fair and the Agricultural Extension school while many counties had made application for both and got neither. Every person in Highland county interested in farming should take advantage of this opportunity to see and learn about agriculture.
